COVID-19 Risk Statement

At Tenison Woods Catholic Primary School we take the risk of COVID-19 and the health of our staff and students seriously.

We continually monitor and follow the latest updates and recommendations given by Health SA and Catholic Education SA. Protocols and procedures are in place to minimise the spread of COVID-19.

A staff member will:

- Not attend school if feeling unwell, or if anyone in their household has been diagnosed with COVID-19
- Not attend school if they have travelled interstate or overseas to a known hotspot
- Not attend school if they have undertaken a COVID-19 test and are awaiting results regardless of whether they feel well

All visitors to our school will:

- Follow policies and procedures as recommended by us (including answering all questions upon arrival)
- Follow recommended personal hygiene and social distancing protocols
- Sanitise equipment after use

If we are aware of a staff member or student at TWCS who is diagnosed with COVID-19, we will advise visitors and the community.

For more information contact the School Principal.
