## Message from the Principal

**WELCOME BACK TO TERM 4**

I hope you have all enjoyed the October Term Break and all back into the swing of things as we move through Term 4 towards the end of another schooling year. As always, it is a very busy term with lots happening.

To finish Term 3, we were privileged to have had the opportunity to work alongside ORANA Disability Services staff and clients to undertake a 'backyard blitz' style project at their Riddlyton facility. This day was a wonderful connection to our mission and 'walk the talk' so to speak. Julian Tenison Woods and Mary Mackillop are our role models for ministry in the community. Our staff reflection day was a wonderful experience, filling all of our 'buckets' leaving us with a great sense of community, connection, accomplishment and mission. A very special thank you to Sheena and the ORANA staff for coordinating the day, to the clients of ORANA who spent the day alongside our magnificent TWCS staff. The end product was a great achievement.

During the end of last term, the school leadership team conducted and completed our preliminary employment process for 2025. I am pleased to announce the following staff have been rewarded with teaching positions at TWCS.

- Chloe Bridgwood
- Rhys Johnston
- Carisa Spencely
- Amelia Scarfo
- Ethan Marchioro
- Sky Llewellyn

We were also successful in appointing a new Technologies Specialist teacher for 2025 in Sarah Watkins. Sarah joins our community as an experienced educator, leader and specialist teacher. Sarah will be visiting our community throughout Term 4 to complete a handover.

The other staffing announcement relates to a few staff members not returning with us in 2025. Firstly, Mrs Sarah Byrne. Sarah has been successful in winning a permanent position with Catholic Education SA as an educational consultant and coach. Sarah has been in this role for the past 2 years and it is wonderful for this work to have been rewarded with this appointment.

Mrs Brooke Flatman has been successful in winning a position at Immanuel College as a dedicated Inclusive Education Teacher starting in 2025. Brooke has an extensive background in Inclusive Education, having joined Catholic Education from Aspect School. We thank Brooke for her time at TWCS and the expertise and knowledge she has shared in that time.

Karlee Cave has been successful in being appointed in a newly created role as Education Pastoral Coordinator R-12 at St Michael's College in 2025. Karlee began her time at TWCS as an ESO completing her teaching and developmental educator degree. For the past 2 years, she has been a vital team member in our CESA regional Inclusive Education Project, working across 4 schools providing expert support.

In recent times, both Tiana Henderson and Heather Docherty have announced they are pregnant and expecting their first and second child respectively in the new year. This is wonderful news for both Tiana and Heather and their families.

On behalf of the TWCS community, I thank Sarah, Brooke, Karlee, Tiana and Heather for all their hard work with our community, and wish them all the best for 2025. We will formally acknowledge them during our end of year mass in Week 9.

We still have a few positions to fill in preparation for 2025. Our Teaching team for 2025 at this stage will be: (further announcements will be made throughout the term)

APRIM: Sheena Pattinson

Assistant Principal: Teaching and Learning: Claire Little

### **Classroom and Specialist Teachers**

- David Molloy
- Sarah Chandler
- Gina Margush
- Chloe Bridgwood
- Ethan Marchioro
- Sky Llewellyn
- Erin Coppins
- Carisa Spencely
- Amelia Scarfo
- Rhys Johnston
- Courtney Quigley
- Katie Cummings
- Dominique Ellul
- Daniella Larritt
- Sarah Watkins

### **Class Structures in 2025**

Two Reception Classes

Three Year 1/2 Classes

Two Year 3 Classes

One Year 4 Class  
One Year 4/5 Class  
One Year 5/6 Class  
One Year 6 Class

This week we have been blessed to have our Little Wonders Long Transition Program start with 17 young learners starting their school journey with us. Ms Erin Coppins and Miss Sarah Chandler have created a wonderfully welcoming experience for our young learners. The Little Wonders program is an extremely important opportunity for children to transition into our school community.

Class Structures are continuing to be finalised this term. We have had continued enrolment interest that is always very positive, we will look to finalise the class structures as soon as possible. We still have some spaces left in some year levels for January 2025, if you know of anyone looking for a flourishing school, please let them know to contact Peta for enrolment information.

We have a very busy term coming up, I really encourage you to take the time to view our school calendar on the Audiri App to ensure you are aware of the community events coming up. A few to keep an eye out for are:

- Pupil Free Day – Monday 28<sup>th</sup> October – Camp Australia available
- Wellbeing Day – Friday, 15th November
- Woods Week - 11th - 15th November
- Year 3 – 5 Aquatics Day – Friday, 29th November
- Graduation Dinner for Year 6 families – Monday, 9th December
- Whole School Carols Night – Friday 8<sup>th</sup> December
- Vinnies Christmas Appeal
- Meet the Teacher morning – Monday, 9th December
- End of Year Mass – Tuesday, 10th December
- Last day of the year – Wednesday, 11th December

Finally, on behalf of all in our community, I wish to acknowledge that this Friday is World Teacher's Day. We are extremely blessed in having such a wonderful group of educators committed to ensuring all children are successful and flourishing. An additional thank you to all the families who have been so extremely generous in donating gifts for our staff. It was wonderful to see, THANK YOU.

As we enter Term 4, there are many celebrations that we will get to come together for. I wish each one of you a wonderful Term 4, especially those in our Year 6 cohort who will be leaving to start their time at High School next year. Whilst it may be your last term as a student at TWCS, you will always be a special part of our community.

God Bless

Ben

## Religious Identity and Mission

### Staff Reflection Day Term 3

On the last day of Term 3, Friday 27<sup>th</sup> September which was a Pupil Free day for our students, our Staff Reflection Day was held. Our Reflection Day journey this year began when Sister Mary-Ann Casanova, a Josephite sister led us in getting to know more about our school's namesake Father Tenison Woods as we explored his personality through her sharing of narratives based on his letters, photos and books. She spoke about the great importance Father Tenison Woods placed on mission and outreach. We were very fortunate to have spent time with Sister MaryAnn and have her share her knowledge with us. She is somewhat of an expert on Father Julian Tenison Woods, having recently completed a PhD dissertation on him.

As a collective staff, we then followed in the footsteps of Father Julian Tenison Woods by '**putting mission into action**' when we spent

the day at Orana, Ridleyton. Orana creates opportunities for people with disabilities to live the life of their choice through a range of employment, housing and short-term accommodation, skills development programs and daily support. They aim to provide people with disability the chance to live and work as part of their community as independently as possible.

Our staff worked alongside Orana's clients and staff, volunteering our time to transform their front garden into a vibrant space of beauty and tranquillity. This highlighted the idea that community spirit shines brightest when people come together to achieve a common goal. Together we planted new greenery, arranged garden beds, adorned pots with mosaics, and ensured that the space was both beautiful and accessible to all. A highlight of the space is a stunning *Tree of Life* mural painted with handprints of all involved, symbolising growth, connection, and the nurturing spirit that the garden and the community embody.

However, this was more than just a landscaping project; it was a story of community, collaboration, and the enduring impact of shared values. The garden is intended to be a space where Orana's clients can engage with nature and find peace in their daily lives. It stands as a vibrant, living symbol of collaboration, where every plant is a reminder of the natural environment that Father Tenison Woods loved spending time in. Gardens and green spaces offer a tranquil environment where people can connect with nature and enjoy the therapeutic benefits through the sights, sounds, and smells of being outdoors in nature.

As the garden continues to grow and flourish, it will serve as a place of beauty and reflection, enjoyed by clients, staff, and visitors alike. It is a powerful symbol representing the interconnectedness of all of God's creation and the strength of community and working together to achieve a common goal. It is a place that embodies the spirit of Orana and Tenison Woods Catholic School — both are places where everyone is welcome, and where everyone can contribute to creating a better, more inclusive community for all.

### **Whole School Masses & Liturgies**

Last Friday the students in 4/5DM joined the parishioners for the 9am morning Mass to celebrate the Feast of Saint Luke. Students took part in the Mass by listening to God's word being proclaimed, joining in with the responses, and singing. There were also students who read the prayers of the Faithful, and who took part in the Gospel and Offertory processions. At the beginning of the Mass the students entered the Church reverently and sat quietly while waiting for the Entrance Procession. At the end of the Mass Father Long Hai commented on how beautifully the students did this, entering the Church in a manner than helped settle and prepare them to celebrate Mass – all too often we do not get these quiet moments to be still and be in the presence of God.

Next week, on Friday 1<sup>st</sup> November, the students in 3B and 3/4B will join the 9am parish Mass to celebrate All Saints Day. This day commemorates all the saints in heaven and is an important day in the Church's calendar. The feast day dates back to the early Church, when communities would gather and celebrate the anniversary of the martyr's death. The students in other classes will also celebrate masses and liturgies at other times throughout the term.

In Week 8, the last week of the school year, we will gather together as a whole school to celebrate our End of Year Mass on Tuesday 10<sup>th</sup> December at 9:15am. This will be a wonderful way to reflect on the year, give thanks for all we have experienced, and farewell leaving students and staff. Families are warmly invites to join us for this gathering.

Warm regards,

Sheena Pattinson

Acting APRIM

*Years R/1*
- Week 7    Friday, 29 November - Liturgy (time TBA)  
*Year 2*
- Week 9    Tuesday, 10 December @9.15am (St Aloysius Church)  
*Whole School End of Year Mass*

*All families are welcome to attend*

## Assistant Principal - Teaching and Learning

### Light it Red for Dyslexia Awareness

On Friday, October 18th, we hosted our inaugural "Light It Red" open morning. Thank you to the families who attended to observe our inclusive classroom literacy practices. These practices incorporate the science of reading, a multi-sensory approach, structured synthetic phonics, explicit instruction, and data-informed strategies. Special thanks to our classroom teachers, Amelia and Carisa, for showcasing essential components of our methods.

Our intervention program is designed to complement our classroom instruction, providing targeted support for students who need extra assistance. Our TSD program (Teaching Students with Dyslexia) is delivered on a one-on-one basis, allowing for personalised attention and tailored instruction. Trained educators Kelly and Leticia work closely with students to address their individual learning needs and strengthen their literacy skills. During the open morning, Kelly, Leticia, and four of our students demonstrated key elements of this intervention, highlighting its effectiveness in fostering academic growth and confidence in our learners. Additionally, I appreciate Kelly, Leticia, and four of our students for demonstrating the key elements of our intervention program.

### Keeping safe Child Protection Curriculum

Our Term 4 Keeping safe Child Protection focus is 'Protective strategies'. Throughout the term students will engage in age-appropriate lessons through the Health Curriculum to develop an understanding of this topic in particular learning strategies for keeping safe and persistence. Students explore the concepts of trust networks, problem-solving strategies, using assertive language and what persistence is and why it is important. The communication letter was sent home in February. If you would like any further information regarding the Keeping safe Protection Curriculum, please feel free to contact me or the Keeping Safe website,

[http://kscpc.2.vu/DE\\_ParentsCarers](http://kscpc.2.vu/DE_ParentsCarers).

A reminder, students in Reception with Mrs Valleena Machado, will not start the Keeping Safe Child Protection Curriculum until the start of 2025.

As we focus on Protective Strategies for our Term 4 Keeping Safe Child Protection Curriculum, I want to share some important insights from the Cyber Safety Parenting Workshop we held in June. Understanding how to manage screen time is crucial, especially considering research that highlights issues like brain hacking, sleep disturbances, and isolation.

Here are a couple of discussion points to consider with your child: What are some red flag phrases they should be aware of? For instance, questions like “Do you want to meet alone?” or “Are you home alone?” can be concerning.

Also, reflect on your own role as a parent: How are you modeling behaviour? Are you setting aside devices and fully engaging during family time?

I recommend checking out this website [Common Sense Media](#).

Kind regards,

Claire Little

Assistant Principal: Teaching and Learning

## ReceptionM - Mid Year 2024

Welcome back to Term 4 all the Mid-year reception students at Tenison Woods Catholic School. As they step into this exciting period of learning and exploration, they're eager to dive into a variety of engaging activities and subjects. The learners have done a great job in adjusting to the school routine as well as their classroom and school community.

In Literacy, last term we focused on Phonological Awareness Skills: Blending and Segmenting, Oral language: speaking in a sentence / sentence construction. We are also preparing for our letter formation by practicing the pre-writing patterns. This term, we will engage in Identifying the Initial Sound Awareness, Oral language: Speaking in a sentence description consisting of what? Colour? Parts? Along with pre-writing patterns.

In Numeracy, last term, we have been practicing writing numbers from 0-5 using the appropriate cue words and working on different

ways to substitute the number. This term, the learners will gain understanding of numbers 6-10 and learn to recognise, copy and continue repeating patterns.

In Religion, we learnt that Jesus Christ was the son of God who lived on Earth, and Jesus loved children. We learnt that The Sign of the Cross is a special prayer to God and the action symbolizes your belief in the Holy Trinity—the Father, the Son and the Holy Spirit. We made a prayer chain to prayer for all the things around us. This term, the learners will have and gain an understanding of Jesus is God's son, and his birth is celebrated at Christmas.

## Performing Arts

Term 3 was an eventful term for Performing Arts. In week 9, all students had the opportunity to take part in the Kaboom Percussion Incursion. Students were inspired by an interactive percussion performance with all instruments being uniquely made from recycled materials. This was a wonderful opportunity that helped to reinforce the learning we have been doing in our performing arts classes during the term.

In addition to this, the Tenison Woods Catholic School Choir has been diligently meeting since the beginning of the year rehearsing, learning new songs and choreography for this year's Catholic Schools Music Festival. The choir's commitment and hard work culminated in the amazing and inspiring music showcase 'Where Dreams Begin...' which was held in week 10 of Term 3.

Finally, as we enter Term 4 students are eagerly anticipating preparation for the Christmas Carols event to be held at the end of the Term. This is sure to be a wonderful time of celebration for our entire school community.

# Outside School Hours Care Newsletter

21/10/2024

Tenison Woods Catholic School OSHC

Your  
OSHC.

## A message from your Service Leader/Coordinator

Dear Families,

Welcome back to Term 4! I hope you've all enjoyed the break and are ready for the last term of the year. We had a fantastic Term 3, with great attendance and fun activities, and I'm excited to share what we have planned moving forward.

As we transition into warmer weather, please ensure your child brings a hat each day. Sun protection is essential, and if your child cannot use our OSHC-provided sunscreen, please pack their own. We want to keep everyone safe while enjoying the outdoors play area.

With Halloween around the corner, we invite children to wear their **Halloween costumes** on the day for some festive fun! The day after, we will also be celebrating **Diwali**, the festival of lights, with some special activities.

I'm also excited to announce that in Week 8, between **2nd to 6th December**, we will be trialling **VR headsets**! This fun and educational experience will give children an opportunity to explore virtual reality in a safe environment.

A quick reminder: when dropping off or picking up your child, please use the side door of the new OSHC building.

Thank you for your ongoing support, and don't forget to sign up for our Rocketeers vacation care program for this Christmas Holidays!

Warm regards,  
Cherish Tan  
OSHC Service Leader/Coordinator

## Upcoming Highlight Activities....

- Halloween Lanterns
- Simple Halloween Party
- Diwali Paper Lamps
- Big Art: Marble Art

## What's the upcoming menu...

- Australian Damper
- Popcorn
- Mini Sandwiches
- Pumpkin Scones

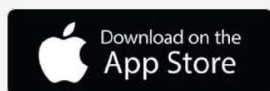

## Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.

## Parents and Friends

# VOLUNTEERS REQUIRED!

## BUNNINGS BBQ, MILE END

### SATURDAY, 23 NOVEMBER 2024

We require volunteers for 1-2 hour shifts for service & cooking BBQ. 12pm to 4pm (pack up 4pm)

Have fun with parents and carers from our TWCS Community or bring a friend! Clearances are not required for this event

**We are raising funds to purchase 2 new TWCS gazebos**

Wow, here we are in Term 4 of 2024 already! We have a busy end of year coming up for the Tenison Woods Parents & Friends.

### Icy Treat Wednesday

Icy Treat Wednesday is back for Term 4 and there were around 80 excited children at lunchtime yesterday waiting to get their ice block! Ordering is available on Qkr! Thanks to the fabulous ladies in the Office for facilitating this and to the wonderful Kimberley Marjas for handing out the ice blocks from the canteen!

### Christmas Greeting Cards with your child's artwork

This week through Audiri, we have launched a new fundraiser through Australian business called Crazy Camel Fundraising, where greeting cards can be created with your child's artwork.

Your child's artwork is now available for viewing and you may order greeting cards by going to [www.crazycamel.com.au/24562](http://www.crazycamel.com.au/24562)

Orders close on Tuesday 29<sup>th</sup> October

Delivery between 19<sup>th</sup> to 22<sup>nd</sup> November

Big thanks to our awesome school teachers who have helped the children complete the beautiful artwork in the classroom and to Diana in the office for packing them off for processing.

A special thank you to Marissa Sorich who has put this project together.

#### Bunnings BBQ – Mile End – Saturday 23<sup>rd</sup> November

Our Bunnings BBQ is booked for Saturday 23<sup>rd</sup> November & we are looking forward to selling around 900 sausages to the Bunnings customers!

It is always a fun day spending time together whilst contributing to a school fundraiser.

As a school community we are very fortunate to have people willing to help towards a successful day with planning, preparing supplies for the BBQ, helping set up, cook, serve and pack up!

We are looking for volunteers between 12 to 4pm please.

If this is something you would like to do, we would love to have you onboard, so please drop us a quick email on [pandf@twcs.catholic.edu.au](mailto:pandf@twcs.catholic.edu.au) and we will contact you back!

Thank you to everyone who has already volunteered, some of our regular people and some great new faces!

Our next meeting is Term 4, Week 3, Wednesday 30<sup>th</sup> October & you are welcome to join us.

Please note, we have brought the meeting forward to 5:30 to 6:30pm since the third & final The Strength Switch session starts at 6:30pm

Best wishes for a great Term 4

Kind regards

Jane O'Donoghue & Chris Trewin

Gowrie SA Open Morning

Gowrie SA

Have you heard about  
Gowrie but don't really know  
what all the fuss is about?

# Open morning

## ...Thebarton & Underdale

Gowrie SA is a not-for-profit community based service, and we currently have limited 3 and 4 year-old kindergarten positions available. We offer Department funded kindergarten programs for children in their year before school, along with our popular infant and toddler programs.

These integrated early childhood programs support children's development through strong relationships, inclusive, play-based individual and group learning opportunities in spacious outdoor environments and natural garden settings.

We invite families to spend a morning with us in the warm and welcoming learning spaces we create for children, and meet some of our educators.

Come and see if Gowrie is a good fit for your family!
